

WMAS LOCAL FISH STORE TOUR – March 3-4

Welcome to the WMAS LFS Tour. We are excited you are participating! Below a couple of guidelines and rules for the tour. If you have any questions, please feel free to ask the stores or any of the WMAS Presidency.

The Passes show 13 stores that are participating in the tour this year. The goal is to go to each store, have them put their unique stamp in their square, collect all 13 stamps (or as many as you can,) and then fill out your information on the back to be entered into the prize drawings.

There will be a grand prize drawing and a secondary prize drawing. Grand Prize will be a Max E-170 tank and custom-built stand. We can't thank enough Driftwood for donating the stand and Aquatic Dreams for donating the tank. The Secondary Prize will be a BRS two part system and dosing pumps. We would also like to thank Bulk Reef Supply for their support and donation as well. Those that receive all 13 stamps will be eligible for the grand prize. Those that do not have their names drawn in the grand prize will then be added to the secondary prize drawing with those who were not able to make it to all the stores.

RULES

1. Only one pass can be stamped per person at each store. Each person has to be present to have their pass stamped.
2. Passes will only be stamped on March 3rd and 4th. Please be honest and don't try to get them stamped early.
3. Make sure you fill your contact information and the store you would like to pick up your prize if your name is drawn.

Please be sure to check the local store hours during those two days and plan accordingly for best chances to make it to all 13. Good Luck!

This is a family event so please feel free to bring them and enjoy the fun. There will be amazing things to see and more than just corals and saltwater to purchase. Thank you for coming out and supporting the stores that make our tanks look amazing and provide a variety of other pet supplies as well.
